Clean

Classroom with proper fan and washroom maintained

It's good only interior of classroom to be maintained

Rooms should include more lights and fans

Never seen soap for washing hands in the college. Classrooms are not enough for pedagogy lectures. Even if there are classes in the other building, the lectures are conducted over there only in third and forth semesters whereas, pedagogy lectures start from the second semester. The timetable should also have designated classrooms and all the teachers should abid by that.

Need improvement in classroom infrastructure and washroom infrastructure in general
