2.6.3. Mechanism for grievance redressal related to examination is operationally effective

Our college has prompt / robust and operational mechanism Examination related grievance redressal.

First of all students are made aware of the mechanism of internal and external evaluation in each semester. Students are also informed about the criteria for which they will be assessed.

The awareness of their evaluation and procedure of exam related grievance redressal helps in smooth functioning of TEI.

Students are made aware of the committee and person in charge whom they can approach and share their grievances and resolve their issues.

Orientation about internal assessment criteria of evaluation and time to time guidance and feedback is given for improvement.

Class re- test for absentees and low scorer is conducted time to time.

For internal assessment related grievance students can approach directly to the concerned course incharge/ teacher. If grievance is resolved as suggested by the teacher then no further action is needed. Principal is informed about grievance and redressal in writing.

If grievance is of serious concern then Principal, Examination incharge, Committee members resolves the grievance within stipulated time.

If grievance is related to External assessment - Students are not satisfied with their marks in University examination, then they apply online for photocopy of their answer scripts within 7 days of declaration of result.

Still if they aren't satisfied then again in 3-7 days they can apply for reevaluation of answers by paying prescribed fees to the University.

The college provides all kind of guidance and assistance for such exam related grievances.

Students are made aware of the pros and cons of each solution option as no refund of fees, delay in getting re-evaluation results, marks may or may not be changed. Consider the potential benefits and risks, as well as the practicality of implementing each option.

Format and pattern of University exam was informed students well in time during corona period and same format class test was conducted to acquaint them with the system of online examination.

During corona time mock test was given prior to the university exam arranged & managed by cluster College.

No re- evaluation will be done of MCQ's of University examination was guided to the students well in advance as per the guidelines given by University.

Students were guided how to use online platform for University exam through videos and zoom meeting for smooth conduct of exam.

Sometimes names and subject corrections are there which are taken care once the written request comes from the student.

of Covid, college informed us to be

that college should conduct 2-3 exams
as a practices of writing, in this
