

CRITERIA 2

2.6.4 The institution adheres to academic calendar for the conduct of Internal Evaluation

2.6.4 The institution adheres to academic calendar for the conduct of Internal Evaluation

Shri L.P. Raval College of Education and Research (LPRCER) prepares an academic calendar in accordance with the University of Mumbai schedule. The institution has an academic calendar that focuses on the awareness through various activities. Prior information is provided on all the activities through the institution's notice board, WhatsApp groups etc.

Academic – For smooth conduct of academic activities year plans are planned and prepared to catering to the objectives and learning outcomes of the course as well as to provide varied learning experiences to the students. The semester schedule, college assessment activities and examinations, internship, curricular and co-curricular activities etc are all indicated in the academic calendar.

Examinations- Examinations are conducted as per the guidelines issued by the University of Mumbai. For each academic year, LPRCER ensures effective implementation of all activities related to the internal and external examinations and assessments. Students are well informed about the evaluation process. The college follows all guidelines given by University of Mumbai for the conduction of exams and other internal evaluation procedures. The students are made aware of the rules in the beginning of every semester, the academic calendar with EA/ IA (tentative) Exam dates usually display on the college notice board. For the implementation of Internal Assessment Process, the Principal of the college monitors the overall internal assessment process.

The process is as follows:

- Every teacher is assigned the subjects to be taught during the academic year.
- The teacher plans the teaching and evaluation schedule of the assigned subject.
- The type and schedule internal evaluation is planned in consultation with the Principal.

The Principal compiles the academic plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the Continuous Internal Evaluation in particular at both the internal as well as the University level. The decision regarding dates for conduct of assignments depends on completion of syllabus, mid- semester breaks, gazetted holidays as well as other planned activities of the college such as the festivals, Annual Day ,Sports day, etc.

Result Analysis: Result Analysis is done by the concerned faculty members after every test. The performance of the students is monitored by the Principal and the necessary feedback is given to the concerned faculty members. The Principal also gives necessary feedback for the improvement of students' performance.

Progress Reports: The institution is kept on monitoring the performance of the students. Remedial Classes are conducted for the slow learners, absentees. This practice helps struggling learners to update their subject knowledge and helps them to catch up with their peers.

During the covid pandemic lockdown, all the college assessments were shifted to online mode after the training of all faculty and the students, the students were given Google form

test comprising of multiple choice questions. The practice test and question bank were provided to the students to help them to get familiarize with the online system.
