### ***2.7.5 Performance of students on various assessment tasks reflects how far their initially identified learning needs are catered to***

Evidence of outcomes is witnessed through the achievement of PLOs and CLOs.

Skills achieved are teaching-learning skills, communications skills, classroom management skills, individual participation, ICT skills and soft skills.

Formative evaluation is done through class test, assignments, essay, practice teaching lessons, assignments, community work, learning resources, internship, book review.

Summative evaluation is done through University exams.

**Entry level:** The institution organizes orientation program for students at the commencement of the batch and semester wise orientation is also done. Teachers orient the different tasks thus an overall structure of the B.E.d. program is provided.

**Mid-term evaluation:** After the commencement of semester the students are continuously monitored and evaluated through essays, class test, assignments. Performance on these are measured and students under 50% marks are given assistance through mentoring, guidance , extended library hours, peer tutoring, additional resources, books, e-content. Students securing more than 70% marks are given additional support through skill development courses, guidance to competitive exams. Counselling and guidance is prominent during mid-term evaluation. It helps students enhance the competencies and address the problems at the right time to emerge with meaningful results towards holistic development.

During internship, supervisors provide feedback that helps students in realising their shortcoming and harness the strengths in lesson presentation. Feedback from peers is also encouraged.

**Exit level:** After the completion of the course the teachers assess the overall performance of students through the analysis of the semester wise academic and other achievements. This gives a clear indication of the progress made by each student from the entry level to the exit level. The achievements witnessed in the students in CCA, Examination, Internship and other project based courses reveals the overall development of the students through the various teaching -learning and other opportunities of growth and self-development.
