5.4.1. Alumni Association/Chapter (Registered / non-registered but functional) contribute significantly for the development of the institution

TEI is very much aware about the significant role of Alumni in college development. This TEI provide importance to the active, functional, innovative involvement of alumni.

The alumni association has more than 200-300 active student who contribute best of their level in college teacher-students activities.

In this TEI, Alumni Association is not registered with Charitable Commissioner. It is because Alumni members are too busy in their own career building. They have affection, attachment with the college from bottom of heart.

The Alumni Association has significant and positive role in development of institution. Alumni association is concerned about present students. They organised three workshops of 3-5 days each for present students. The first workshop was about- Awareness about Students Redrassal. They organised online lectures along with YouTube videos for information. In this workshop, Alumni made awareness to present students about college redrassal committee, its function, and its report with students under the heading-‘Awareness about Student Redressal’. The second day was about grievance settlement procedure. GSP is a guideline to action setting forth a list of chronological steps to be followed in handling grievances. The third lecture in this workshop was about grievances case studies. It involved the ill effects on students if not addressed. Examples – cases of these type of grievances include: Discipline, Demotion, insult, disputes, denial of benefits, right, etc. Thus, such workshop helps in development of students in turn development of Institution.

The alumni association held the workshop on Freedom from Ragging week- 15th Aug to 21st Aug. The Alumni are very concerned about ragging and its bad effects. The ex-students have given online lectures for newcomers on topics as -
