5.4.4. Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talents in them

Alumni Association is not registered with charitable commissioner. However, it makes no difference in association. There strong bond, thick association between the alumni and institute.

Alumini Association is not formal, it is informal but with true shades of association. Alumini Ex-students 100s of those informally joined having placental relation with mother. Raval B.Ed. College. Informal alumni committee has ten office bearers, such as president, vice president, secretary, deputy secretary and members many more.

Mechanism through which alumni association acts as an effective support system to institution in motivating students as well as recognising, nurturing and furthering any special talent in students, can be briefed as following:

- A) Welcome party to freshers by students' council and alumni association
- B) Validatory function for outgoing second year students by student council and alumni association
- C) Alumni association along with student council carry out commemorative day's celebration

Alumni students organizes welcome function for new comers, freshers, new entrance, it is to build confidence in new comers. Welcome function is significant since it marks the beginning of an event of academics – education. It also caters a brief knowledge about the following sequences of events to the audience. Welcome to the fresher is the whittle part in the life of new students in TEI. It sets the right tone for an event. It gives a particular way to carry out associational confidence for longer duration.

Alumni students are continuously associated with students, student counsel and present students. Valedictory function means an address or oration delivered at the beginning of college on behalf of graduating class.

Alumni much are much more focussed on the commemorative day celebration. Commemorative day means there are certain days in each year, these days have particular plan, particular felicitation.

Alumini students carried out celebrations such as – Teachers day, Birth anniversary Dr. Sarvapalli radhakrishnan it creates respect to the noble job chosen by all students. There is teacher's world day also celebrated by students and resource organizer. Similarly in all about ten programs orientation is organised by alumni association. Children's day celebration, human rights day celebration, National youth day celebration, national science day function, International women's day celebration, social justice day celebration as Birth anniversary of Dr. Babasaheb Ambedkar and celebration of Rabindranath Tagore's birth anniversary as commemorative days for the effective support system to institution in the form of thought, in the form of human values, in the form of institutional values are the contribution of alumni association.
