This TEI is self-financed institute. it is non-grant unaided college. TEI has tuition and fees that students pay to earn their degrees in turn graduate can read substantial rewards

TRUST SUPPORT-

The Raval Education trust has its own land and multistoried building for the TEI. The trust raised the fund on its own for social cause in education. The multistoried building constructed with multi-crores of fund is the mobilization of funds and their optimal utilization of resources.

TEI'S STRATEGIES FOR INCOME-

Physical structure is provided by the Trust. However being unaided TEI has only one strategy for income- the fees of students. The fees are as per the University of Mumbai fee structure. It is the sole source of income generation to run the educational institute.
